## Why Use HG Logistics, LLC?

In today's transportation marketplace there are over 500,000 interstate carriers: Approximately 81% operate 6 or fewer trucks; Approximately 93% operate 20 trucks or less. Due to the fact that the marketplace is so fragmented, HG Logistics LLC has devised a business model to leverage your freight to over 11,000 truckload carriers and to most of the major National and Regional LTL carriers. Our relationships with these carriers have been strong and long lasting, as we hope that our relationship with you, the customer, will also be strong and long lasting.

## Insurance Coverage:

To further strengthen our relationships with both our customers & carriers, HG Logistics, LLC provides the following insurance coverage:

- \$100,000 Surety Bond
- \$1,000,000 General Liability
- \$10,000,000 Excess/Umbrella Liability

## Accessible:

At HG Logistics, LLC, complete transport resources are as close as your telephone, fax, or computer. Our database includes our asset based fleet plus reliable carriers across North America, Canada, and Mexico currently under contract to HG Logistics, LLC.

## Reliable:

We are not limited to one fleet, allowing us to draw upon a pool of equipment nationwide. If there is a truck in the area of your shipping needs, we will find it!

**You, the Customer**, have our assurance of getting the job done, saving money, and having peace of mind in all aspects of your shipping needs.
